Sports Premium 2016-17

Aims

1. To ensure there is appropriate *National Curriculum provision*
2. To improve *pupils' attainment and progress*
3. To ensure pupils understand the *benefits of health based education for all*
4. Include and increase the *competitive opportunities for all pupils*

Budget £8290

Background.

This is an initial plan that will be changed and added to. It is based on

- Meeting with PE subject specialist (Julie Taplin)
- Attending the summer term PE conference
- Pupil and staff feedback

Julie Taplin is working with staff across our school to develop PE (£3200) and upskill the staff.

The school has also been active in interschool clubs and received good parental support in 2014-15. We continue to vary and increase the number of after school clubs and most are well supported. This year we are continuing with two lunch time Stay Active clubs.

Aim – To ensure there is appropriate *National Curriculum provision*
