

Helmingham Community Primary School

Sports Premium 2017-18

Aims

1. To ensure there is appropriate *National Curriculum provision*
2. To improve *pupils' attainment and progress*
3. To ensure pupils understand the *benefits of health based education for all*
4. Increase and enrich the *opportunities for all aspects of physical activity for all groups of pupils*

Budget £16305

Background.

This is an initial plan that will be changed and added to. It is based on

- Meeting with PE subject specialist (Julie Taplin)
- Attending the summer term PE conference
- Pupil and staff feedback

Julie Taplin is working with staff across our school to develop PE (£3300) and upskill the staff.

The school has also been active in interschool clubs and received good parental support in 2016-17. We continue to vary and increase the number of after school clubs and most are well supported. This year we are continuing with two lunch time Stay Active clubs.

1. To ensure there is appropriate *National Curriculum provision*

Task	Staff	Outcome	Monitoring	Cost	Deadline
To purchase appropriate curriculum resources to support extending the range of sports available.	JT, BC	Additional PE areas will have current resources to enable pupils to develop their skills.	Resources purchased	£ 1000 equipment	By July 2018
