Sun Class Curriculum Newsletter Summer 2017

The aim of our curriculum newsletter is to share with you what we will be doing this term and remind you of some things that are on-going.

Our theme for this term is 'Helmington Child' and we will be visiting The Museum of East Anglian Life; watch out for more information on this later in the term.

Inside is our curriculum map. Again we have used questions to show what we will be doing and hope this will give you a better idea of the focus of our learning.
